Intended as a comprehensive social network for education, this project was large and complex. My role included UI and visual design work. I worked directly with UX experts to create successful prototypes for testing and delivered design comps for each single page, in both desktop and mobile formats.</p>	

Work
Experience
(cont.)

Christen Lien/Timeflux, 2015–2017

Created the design work for the artist's second album, *Elpis*, as well as design work to promote the album. This included concept development, iconography, design and production of CD and vinyl album packages, typesetting and composition, photo adjustment, posters, ads, and a digital pitch presentation. In addition, a complete resign and vinyl package addition were created for a reissue of the artist's debut album *Battle Cry*.

History Moves, 2013–2014

Designed the organizations logo, and customized a WordPress theme to deliver a fully branded CMS website to the client.

Northwestern University, Art Department, 2013

Was hired by to design this thesis exhibit catalog for the University's MFA class of 2013. Work included concept development, book design, type composition and typesetting and book cover design.

Ronald Long, 2013

Design a CMS website/identity package for New York-based violinist Ronald Long. Work included Typography, CSS/HTML, WordPress Theme Customization and Responsive Design.

Hsin-I Huang, 2013

I was hired by New York-based pianist Hsin-I Huang, to design a CMS website/identity package for him. Skills involved: Typography, CSS/HTML, WordPress Theme Customization and Responsive Design.

Ithaca College, 2012

Was hired to design a series of posters and bookmarks to promote the Writing Department's 2012 Visiting Writer Series.

Christen Lien/Timeflux10, 2009

Created the design work for the artist's debut album, *Battle Cry*.

Ann Arbor Film Festival

January 2007–August 2008

Designed the organization's logo and the promotional material for the 45th and the 46th festivals.

Ann Arbor Paper, 2003

Was hired to help develop the design of the publication and created the cover illustration for the August 27th, 2003 issue.

Full Time Design
Experience

Zingerman's Marketing and Graphics

Graphic Designer

Ann Arbor, MI. November 2003–June 2009

Designed and hand-coded websites using XHTML/CSS. Was Responsible for conceptualization, design direction and production of a wide variety of projects, ranging from newsletters and catalogs to packaging and illustration. Prepared graphics for print. Worked directly with printers.

Kolossos Printing

Graphic Designer

Ann Arbor, MI. September 2003–October 2003

Designed brochures, posters, ads, business cards, etc.

Teaching	Grand Valley State University, Allendale, MI	<p><i>Assistant Professor, Graphic Design</i> Fall 2016–Present Responsible for 6 courses per year at different levels of the Graphic Design program. Work has included course development, management, and project/assignment planning and preparation, as well as academic advising.</p> <p>Art 210, Graphic Design I. Extension of basic art and design fundamentals into a graphic design context, including computer-generated imagery. Stress is placed on problem solving through typographic imaging and the union of text and image</p> <p>Art 211, Graphic Design II. Graphic design is explored in its broadest applications, including symbology and logo design. Students learn to create visual messages that are aesthetically appealing as well as informative.</p> <p>Art 215, Advanced Typography. An application of typographic principles to applied communication design projects of increased formal and intellectual complexity. Increased awareness of the emotional properties of typography and the relation to message is emphasized.</p> <p>Art 310, Layout. An advanced studio course covering principles that guide the development of creative solutions for educational and communication design. The student learns to manipulate typography, symbolism, illustration, and photography in a given space, which may take the form of advertisements, newspapers, periodicals, books, annual reports, signs, or direct mail.</p> <p>Art 413, Graphic Design Portfolio. Refinement and development of a body of work constituting a professional portfolio</p>
Selected Service		<hr/> <p>Visual and Media Arts Transfer Guide Committee Chair, Late Fall 2017–Present Responsible for coordinating the work of the committee, planning and scheduling committee meetings, as well as managing and updating committee paper work on VMA's blackboard site.</p> <p>Visual and Media Arts Admissions, Fall 2016–Present Review students' work for admission into the department, and admission into the Graphic Design area. Internal Admissions Co-Chair (Fall 2018–Present): coordinate Internal Admissions reviews.</p> <p>Foundations Review, Fall 2016–Fall 2018 Assess the students' growth during their first year. Advised students, filled out required paperwork.</p> <p>Graphic Design Junior and Senior Reviews, Fall 2016–Present Review the work of all Juniors and Seniors each semester. Make recommendations for each student, and give feedback to students. Complete paper work.</p> <p>Graphic Design Area Adviser. Current Number of Advisees: 30 Provide help, input and advise to students regarding their career path. Meet with students and check on their standing in the program. Advise appropriately.</p>
	University of Illinois at Chicago, Chicago, IL.	<hr/> <p>2011–2012 <i>Graduate Instructor, Graphic Design</i> AD 110 Graphic Design. Introduction to fundamentals of graphic composition (symbols, images, and letterforms) with emphasis on observation, process, hierarchy and abstraction.</p>

Teaching (cont.)	Washtenaw Community College, Ann Arbor, MI	January 2010—July 2010. <i>Adjunct Instructor</i> , Graphic Design — GDT 112—Graphic Communication I This course introduces fundamental graphic design principles and visual communication theories. Students produce dynamic visual compositions addressing matters of cognition, aesthetics, symbols, ideation and ethics with emphasis on creative expression and inventiveness. GDT 139—Illustration Graphics This course covers the fundamental tools and techniques of the vector drawing software, Adobe Illustrator. Lecture, demonstrations, exercises and projects introduce students to basic software tools and the current version of the software. This is a requirement in the GDT-Design and GDT-Illustration programs.
Lectures and Workshops		Street Level Youth Media 2007 Regional Addy Awards Contract Instructor Chicago, IL. July 2012 Taught a youth workshop (ages 8–14). The course focused on music visualization as an introduction to basic elements of graphic design.
